

## Global Understanding for Sustainable Development (GUSD)

### Commonwealth Youth High-Level Indian Delegation

International Youth Group Study Exchange Programme

Knowledge Transfer & Experiential Learning between

India - Malaysia - Singapore

#### Global Understanding for Sustainable Development:

We believe this GUSD programme will give an opportunity to unleash the potential of our youths to empower themselves and the community around them. This GUSD visit helps our fellow youth to create peace talks, civic responsibility, cultural understanding, policy exchange, management skills, communication, rich diverse experience, field visits, etc. We see the opportunity for youth to develop and engage with societal issues to be a part of a new generation change agent.

#### The Visiting Indian Youth will undergo various activities such as

- The 1st aspect of the exchange will be focused on building knowledge, interaction and experiential learning about the host Government Governance, Politics, Policies and Diplomatic relationship ( Interaction with political leaders, elected representatives, political institutions i.e parliament, state assembly, selected ministries, interaction with Ministers, MPs, etc.)
- The 2nd aspect of the programme: Youth Affairs, Youth Policies, Youth Councils, Youth Parliament, International Youth institutions Interaction with National and State Youth Councils, State Youth Departments and Youth Programmes.
- The 3rd aspect: International Development Organisations & SDGs (Royal Commonwealth Society/Commonwealth Youth Council/ UN Offices/High Commission/Embassy/Commonwealth Students Association/Sports for Development and Peace etc.)
- The 4th aspect will be Education, Arts and Culture (Visiting Schools, Universities to have Youth Dialogue with stakeholders, understanding the education system and policies and studying the heritage of the country)

#### Benefits for the Participants

- Since we partner with the foreign governments and youth institutions of the respective country, the participants receive the golden and rarest opportunity to meet and interact with Government representatives, global agencies, and Intergovernmental agencies (Ministers, High commission etc.)
- The exchange is focused on building knowledge about politics, diplomacy, governance, education, arts and culture of the visiting country.
- 6-8 International certificates and awards of recognition for all the participants and the institution endorsed by host governments/agencies. An opportunity to receive recognition and Appreciation certification from International Partnering Agencies (To Highlight i.e Our previous exchange programme participants had received 16 certificates from various International Stakeholders in a single visit). These certifications will pave the way toward global higher education scholarships and job opportunities
