YOUR NEXT TNEA ACTIVITY

Add and lock choices before 30-Jun

Last login on June 22, 2018, 12:06 pm from IP: 10.11.96.191

Now, you have very important decisions to make. Choice is a seat in a branch in an institution. You should properly decide on what seat you will get, based on your rank and community. You may refer to previous year's ranking and allotment in various colleges which are available in TNEA web portal. If you prepare a list of choices in the order of preference, it will be useful to enter the choices in the order preference correctly and quickly. **A write-up on "How to Prepare Choice List" (Guidelines for preparation of choice list) and data sheet for Choice preparation can be downloaded from TNEA website.**

The TNEA seat allotment process comprises of different stages namely

1. Choice Entry and locking of choices (3 days, 3rd day till 5.00 p.m.)
2. Submission of Allotment Options after tentative allotment (2 days, 2nd day till 5.00 p.m.)
3. Confirmation of tentative allotment
4. Downloading and printing of Final allotment if allotted.

All the above four processes can be completed from anywhere, from your home if you have facility or you can avail the facility of TFC.

The entire process will be completed in five days, but you have do it in three stages as mentioned above.

1. CHOICE ENTRY AND LOCKING OF CHOICES

On the Dash Board Screen, on the top Navigation Bar, you would see ADD CHOICES. Using this you can create a list of your choice of branches and colleges. Choice is a branch in an institution. This choice list should finally be in the order of your preference. Click on this, you will get the following options:

3

Add by College Code

Add by College Name

Add by Branch Name

Add by District

If you choose on 'Add by College code' you will see the following screen. The left side panel will show the applicant's choice list. The figure below shows an empty list in the right side panel for an applicant.

The screenshot shows the TNEA 2018 application interface. At the top, there is a blue header bar with the text "TNEA 2018" and navigation links: DASHBOARD, ADD CHOICES (which is underlined), MY CHOICES, ALLOTMENT, HELP, and LOGOUT. Below the header, the main content area has a dark grey background. On the left, there is a sidebar with the text "RAGINI.K.A 's List". The main content area has a white background with a search bar labeled "ADD CHOICE BY COLLEGE CODE" and a placeholder "TYPE COLLEGE CODE HERE". At the bottom of the page, there is a dark footer bar with the text "Copyright Information", "User Agreement", and "Anna University". To the right of the footer, there is a logo consisting of four squares with the letters "T", "N", "E", and "A" respectively.

If you have already prepared the data sheet for list of choices then the choice entry process is very simple in this approach. *Your list will have Choice No., College Code and Branch Code.*

Just below the title ADD CHOICE BY COLLEGE CODE, in the space provided, you can type the college code number. You can add your choices by entering the college code from your already prepared data sheet in the order of your preference. As you start entering the code number, the college codes with college name and address will appear. Check for the correct code, Name of the college, and location of the college. Click on to the college chosen, you will see the branches that are being offered in that institution, community-wise vacancy, year of starting of that branch in the college and whether the programme is accredited by NBA, as shown below:

FOR EXAMPLE, IF YOU THINK OF MIT, ANNA UNIVERSITY, IS NOT IN CHENNAI DISTRICT BUT IS IN KANCHEEPURAM DISTRICT. SIMILARLY, COLLEGE NAMES MAY LOOK SIMILAR; YOU HAVE TO CHOOSE THE CORRECT ONE.]

Following the procedure, you can add any number of choices in your list. But make sure that the choices and the order of choices to have some correspondence with your rank and community. You may also refer to previous year cut off marks (Ranks) for your choice. The correct choice you make will give the desired result.

You can save these and modify the choices till the scheduled time and lock your choices before the said time. You can modify your choices by deleting, moving up by a place, interchanging the adjacent choices or making a particular choice as a desired choice number etc.

You may now login and go to the Dash Board. On the dashboard, click in 'MY CHOICES'. You will get the following Screen:

In this screen you can shift any **choice up by one** order by clicking the movement symbol on the selected choice. Let us assume that you want make choice 4 as 3. Click on the movement symbol (arrow) of choice 4.

2. TENTATIVE ALLOTMENT AND OPTIONS

Once you have locked your choices, tentative allotment will be made based on your Rank, your choice and your Community reservation. After the tentative allotment is over, you are allowed to login and see your allotment. There could be three possibilities:

- i) Your First Choice is allotted
- ii) Some other lower choice is allotted as per your rank and community
- iii) Seat not allotted

If your first choice is allotted, it is fine; you can accept. But if you feel you made mistake in your choices earlier and want to come for next round of counselling (Choice Entry), or you don't want Engineering admission, you may quit counselling. If you have been allotted your first choice, the options will be shown in the screen as given below:

The screenshot shows the TNEA 2018 Allotment page. At the top, there is a navigation bar with links for DASHBOARD, MY CHOICES, ALLOTMENT (which is highlighted in blue), HELP, and LOGOUT. The main title is "Allotment". Below the title, there is a section for "CS-COMPUTER SCIENCE AND ENGG." with college details: "College code: 1", "UNIVERSITY DEPARTMENTS OF ANNA UNIVERSITY, CHENNAI - CEG CAMPUS", and "SARDAR PATEL ROAD, GUINDY, CHENNAI DIST..". To the right of this, it says "Choice:1" and "Allotted Tentatively". A note below states: "This is only a tentative allotment and you should confirm any one of the options listed below for allotment". The "Allotment Options" section contains three radio button options:

- I Accept and confirm the current allotment
(நான் தற்போதைய ஒதுக்கிட்டை ஏற்று உறுதி செய்கிறேன்)
- I Decline current allotment and move to next round to enable participation as per the vacancy position of that round.
(இப்போது ஒதுக்கப்பட்டதை நான் ஏற்கவில்லை. அடுத்த கட்டத்திற்கு சென்று அதில் உள்ள காலியிடங்களுக்குப் பங்கேற்க விரும்புகிறேன்)
- I Decline current allotment and Quit counselling. I am aware that I can not participate in further rounds of counselling.
(இப்போது எனக்கு ஒதுக்கப்பட்டதை நான் நிராகரிக்கிறேன். நான் கலந்தாய்விலிருந்து வெளியேறுகிறேன். இனிமேல் நான் கலந்தாய்வில் பங்கேற்க முடியாது என்பதை அறிவேன்)

The "Declaration" section contains a checkbox option:

I declare that I have read the information and accept to abide by the rules of TNEA 2018.
(நான் TNEA 2018 ன் தகவல்களைப் படித்துவிட்டேன். அந்த விதிகளின்படி நடப்பேன் என்று உறுதியளிக்கிறேன்)

A red "I AGREE" button is located to the right of the declaration text. At the bottom of the page, there is a footer with copyright information: "Copyright 2018 | All Rights Reserved | Designed and Maintained by Ramanujan Computing Centre, Anna University, Chennai-25." and a note: "The site is best viewed in latest versions of Chrome, Firefox and Edge browsers."

You can choose your option.

If your first choice was not allotted and if you were tentatively allotted second or any other choice, you have five options as given in the screen shown below:
